Re: Cap the San Jacinto Waste Pits

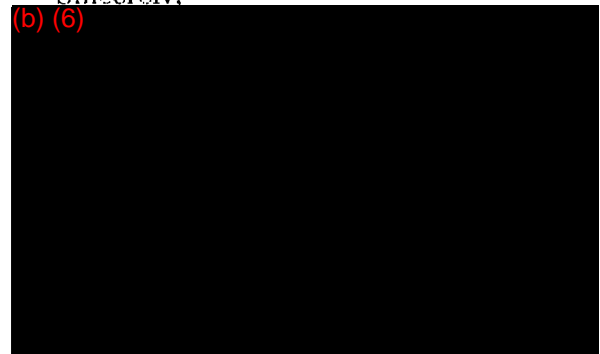

Dear Mr. Miller:

I live downstream from the San Jacinto waste pits in League City. I want to make it clear that I support keeping the hazardous waste capped. I read a lot of the Army Corps of Engineers study and I saw that my neighbors and I near Galveston Bay could be exposed to these toxic materials if the EPA chooses removal.

I don't think it's worth the risk. With the likelihood of heavy rains and flooding and such a long timeframe for removal, I don't want my family and neighbors to grow ill with those materials spreading. The cap that's been on for years hasn't leaked, and I fully support containing that waste with a permanent cap.

Sincerely,

(b) (6)
